

Part I: Instructions

A. General Information - In order to achieve A2LA accreditation in the medical field for either ISO 15189 only or ISO 15189/CLIA, laboratories are required to have an official copy of ISO 15189:2007. There are a number of sources for ordering this international standard. Please visit the A2LA web site at www.a2la.org to view some of these sources. Once you have obtained a copy of ISO 15189:2007, under the fair use clause of U.S. copyright law, A2LA will provide you with electronic copies of the relevant C601:ISO 15189:2007 Assessor Checklist, containing the full text of the standard. A completed assessor checklist must be submitted as part of your application for accreditation. To obtain the 'full text' checklist, please complete the following form and fax it to A2LA.

- 1. Your Printed Name - Your printed name should include your full first and last name.
2. Facility Name - Include the Complete Facility Name.
3. Facility Address - Include the Street Number, Street Name, City, State Abbreviation and Zip Code.
4. Telephone Number - Enter your facility's current telephone number including area code any extension information.
5. Email Address - Enter your current email address.

B. Affidavit - By signing this affidavit you are confirming that you have obtained an official copy of ISO 15189:2007 and will be able to show the copy to the assessor during the on-site assessment.

- a. Your Printed Name - Your printed name should include your full first and last name.
b. Signature - Sign your full name without abbreviating it or using initials. The signature must be legible.
c. Today's Date - Enter the date the Affidavit was signed.
